# **SPECIAL TRAIN FOR MILWAUKEE CONVENTION**

---

**We Have This Information From a  
Reliable Source**

---

The Chicago, Milwaukee & St. Paul Railway will run a "Nurseryman's Special" from Chicago to Milwaukee on account of the Nurserymen's Convention. This train will leave Chicago after the arrival of morning trains from the East, West and South; will arrive in Milwaukee before noon.

The station in Milwaukee is less than five blocks from the Plankinton Hotel. We understand the Bartlett men will ride to the Hotel in flying machines, but that the Kieffer men are expected to walk—its good, easy walking. We want to see you all there.

This special train will be one of the pleasant features of the next Convention. Full information will be sent out in ample time. We call your attention to this matter now so that you will make your plans to join the train.

### 24 AND 30 INCHES, SIZE NO. 1

In the nursery these plants were about 3 feet, but the rambles have been cut back to 24 inches of wood, the others to 30 inches of wood. They are first class plants in every particular.

In the nursery these plants were 4 feet or more, but have been cut back to 30 inches of wood to save expense of packing.
